			Stirry: 6 head	
	Calves showing typical breed traits being unweaned. Heifers were fast through the crush and running in bigger yards when given space but then were good to handle going through yards without being pressured.			
Handled With	Bikes			
Assessor Comments	A exceptional line of very well bred Heifers for sale. These Heifers are very well bred and are renowned for their doing ability. These Heifers show very good breed traits showing good shape and length of body and would suit a restocker looking for future breeders to put away or a backgrounding operation to take through to heavier weights to suit Domestic markets. Please note the vendor has 37 Steers also available in the same sale.
