Assessor Comments	Exceptional opportunity to secure a quality line of 47 Angus steers, sired by leading Angus AI sires and a selection of top-performing sires from renowned Angus studs. These steers are bred with performance and temperament in mind and are normally retained and grown on to feeder weights. They rarely come onto the market at these lighter weight, presenting a genuine chance for backgrounders or finishers to buy proven angus steers. Please note there is a additional 95 steers in todays sale from same vendor.
