Assessor Comments	A very attractive line of Minnamurra blood Speckle heifers more than ready to join to a Bull of choice. If your looking for a quality mob of heifers to start a breeding program or topping up your cow herd don't go past these heifers. The vendor has put years into breeding a herd based on temperament, growth performance, weight gain and calving ease. These heifers are surplus to requirements and present a great opportunity to purchase quality cattle. One heifer has scurs and can be optional.
