Assessor Comments	**Tops of the drop** 2 x lots of 41 head. Excellent line of Angus steers sired by Hazeldean & Trio Angus bulls focusing mainly on EMA, IMF, growth and constitution. The "Baringa" cow herd consists of medium to larger framed matrons which originate from Hazeldean bloodlines. The temperament in these steers is second to none, you will not find better. Yard weaned 16th January. Tail removed at assessment and offered in a very tight weight range of 200-280kg. Total 82 head to be offered as 2 x lots of 41 run out the gate. An excellent run of steers worthy of that extra bid.
