|                                       | 1 Head Slight eye blemish - not detrimental to vision.                                                                                                                                                                                                                                                                                                                                                                                                                  |                           |                             |
| Assessor Comments                     | NSM Angus x Angus heifers. Perfect to background for when the season breaks. 11 head are vendor bred Rennylea blood winter drop weaners and the balance were purchased as light weaners last year. Only being sold due to seasonal conditions. These heifers have been grazing summer crop and are on the do. They are cleaning up in the coat and offer continued weight gains with adequate nutrition They were good to handle and will suit a range of propositions. |                           |                             |
