Assessor Comments	Good small line of 10 March/April drop Angus steers. Weaned, Vendor bred, grass fed only, 2x5in1. Steers are from a great herd of medium to large framed cows originating from pathfinder bloodlines with these calves being sired by Harris farm Angus bulls. Well bred young cattle with great weight for age that present in good store condition and given the opportunity will continue to perform and are ideal to take on to any feeder or kill market in the future. Conveniently located on the Hume hwy with all wether B Double access.
