Assessor Comments	ACC G & G Lambert Offering 20 very well bred and handled (EU) heifers mostly vendor bred with 10 being bought in from a local farmer. They present in ideal store to forward store condition with good medium/large frame to add plenty more kg's to if needed. Sired my high noted Poll Hereford stud sires. 100% weighed between 420-518kg to average 466kg full. 2 were mouthed at assessment and still had there milk teeth. Highly recommended cattle that won't disappoint. And are Teys Grassland and NEVER EVER accredited if you want them that way. Buyers please note that same vendor has 10 steers in the same sale.
