	Stirry: 4 head		Stirry: 4 head			
	Heifers mustered well ex paddock with movement but blocked and yarded well in yard. Preg tested up race heifers ran well in general stood well for preg test. Re -worked back through yards for weighing. In general station heifers that have been worked through yards 4-5 times/ trucked are well handled stock. Good to work steady when not pressured...					
Handled With	Bikes , Vehicles					
Assessor Comments	28 Angus/BB (19 head) Hereford Cross (9 head) pastoral Heifers, older end of the draft, from strong well -bred female herd. Regular buyer of southern sires. Preg tested not detectable by vet with ultra-sound probe. 100% weighed after muster and preg test, 320 -385kg avg 340kg. Heifers in yard overnight and then preg tested well and truly curfewed. Heifers have the frame and growth to move forward quickly. Allandale station strong history producing high grade cattle. De-pastured southern property 2-3 months. Buyers note last 6km non- B Double route. Extended payment terms to approved settling agent 90 days.
