Handled With	Steers were good to handle through yards and crush. One steer was unsettled in the crush but settled once in the mob. Bikes , Dogs , Horses
Assessor Comments	A neat line of lightweight feeders suit either a backgrounder to take to the top of the feeder grid or grow as bullocks. Only selling due to the weather and not being able to take them on themselves. Great opportunity for buyers under the rain to buy steers already on their way and take advantage of feed. (Seller has 61 Angus Steers in the same Auction)
