Assessor Comments	21 x Angus Steers 380 kgs at assessment. Steers were purchased out of the Yass cattle sale a few months ago and have really bounced ahead on good improved pastures. They are for sale due to the lease block being sold. They present fresh forward condition with plenty depth of body with good bone and starting to grow nicely. They will continue to go forward given the right feed situation. 17 Heifers from the same vendor in this sale.
