Assessor Comments

A small line of F1 Wagyu x Angus Heifers. These Heifers are out of Te Mania blood cows and are sired by Moyhu G071(Rego Attached). Lovely quiet Heifers that were very easy to handle and flowed through the yards with ease. Heifers have not had any opportunity to any bulls or stags but have also been pregnancy tested empty for buyer confidence. Even

though the small line, these are genuine well bred F1 Heifers. Vendor has received positive feedback from the feeding of these cattle as well as the marbling of these cattle in recent years. Indicating that they will feed on well to heavier kill weights given the opportunity. Please Note the vendor also has another lot of Steers in the same sale.
