Assessor Comments	A small line of F1 Wagyu x Angus Steers. These Steers are out of Te Mania blood cows and are sired by Moyhu			

G071(Rego Attached). Lovely quiet Steers that were very easy to handle and flowed through the yards with ease. Even though the small line, these are genuine well bred F1 Steers. Vendor has received positive feedback from the feeding of these cattle as well as the marbling of these cattle in recent years. Indicating that they will feed on well to heavier kill weights given the opportunity. Please Note the vendor also has another lot of Heifers in the same sale.
