Assessor Comments	Excellent steers to take onto good feed and finish them for feedlot weighs as the steers show frame and are starting to move forward. All steers were purchased out of Southern NSW Store markets with the target to finish into heavier feedlot markets but as the season has tightened a result is to offload early. Cattle have been on Phalaris, with having some periods on Maze since the 1/1/26. Buyers Note - Tail & Angus removed and will be sold in sale also. Odd steer presents with ringworm and warts but considered light, odd steer with old pin
