Assessor Comments	Excellent quality weaner steers. These steers come with the highest recommendation, they are very quiet steers that are a pleasure to handle and would suit any level of stock person. These steers are sired by Banquet and Wrights Angus bulls. They are bred out of medium to large frame banquet and Te Mania bred cows. These steers would make excellent bullocks or heavy feeder steers. They have been well weaned and present in excellent order to continue to grow. Over the last month, including weaning, these steers have been doing 1.45 kg a day gain. Excellent quality weaner steers that will not disappoint.
