| Assessor Comments      | A tidy line of Speckle Park x Murray Grey heifers presenting an opportunity for backgrounders. Yard weaned on quality hay and water (22nd DEC). Will remain the same until trucking. Upon receipt, a further week in the yard would be recommended to finish settling. This line presents equally to their Murray Grey brothers, who topped the sale at the Strathalbyn store sale last week. |                                                                                    |                                     |
