Assessor Comments An smart line of vendor bred Angus x Angus heifers from the renowned Waverley herd. 81 of these heifers were joined in big mobs for six weeks from the 01/10/2025 & have been preg teseted empty. The remaining 12 have come from another mob that had brief access to a stag. These 12 were given a prostaglandin at assessment. These heifers are up to date with their health treatments & present in store condition with plenty of potential for further weight gain.
