Assessor Comments	24 Good Quality Heifers majority fresh forward condition. PTE. Note 2 head one score condition big weaners have just weaned off. Very suitable for grain or crop finishing to heavier weights. Feeding performance and health have been good on these cattle in the past. These heifers would be good to add 100 kg plus- for a quick slaughter turnover. As you can see by the photos handled in dry yards. Note no grain or antibiotics suit as pasture fed animals. Vendor will provide 2 NVDs - Family Ownership's.
