Assessor Comments	Watervalley Clarks are offering a line of 50 heifer weighed 340 kg plus at assessment. The heifers are a present as good line in fresh forward store condition. These heifer have come from numerous properties, depot at the one property and now going forward. This line of heifers are an ideal backgrounder line of heifers offering a medium to large frame, showing good improvement on fresh feed. There is around 5 with small scurs or horn. There is 2 with full red colour. The Watervalley cattle are well known for their doing ability and will perform well for those buyers with feed and wish to add value to their purchases. The Watervalley cows continually run with bulls, these heifer haven't seen a bull since weaning back in September. They have been PT Empty, Vendor has an other lines in this sale, which may help with truck loads. All this heifer have been drafted out of the Watervalley herd for showing some colour or scurr and horn. Ideal cattle to place onto feed.
