Notable Traits	Traits			
	1 Head Steer showing moderate double muscling			
Assessor Comments	Presenting a good line of Brangus cross steers. These steers will suit backgrounder or feedlotter with plenty of bone and growth for age. Would also make a grass bullock. Cattle are in the right condition to go ahead and do an EU job. Flat back steers with minimal bos indicus content. Please note two more lots (3 decks) in this sale from same vendor.
