Stirry: 8 head

Steers were generally good to handle, showing normal yearling tendencies. The steers would tend to trot in the big yards and needed some slowing through gateways. Steers can become agitated when singled out, but settle quickly when returned to the mob. A number of steers became agitated in the confines of the crush and exited quickly to return to the mob.

Handled With

Bikes , Dogs , On foot

Assessor Comments

Buyers, on offer 70 top quality Angus steers that are in store condition and ready to go ahead. Steers show all the traits to hit the premium Angus cross Angus market. Steers are well grown for their age and are expected to keep powering ahead wherever they go. Please note that two steers presented with some blight in their eyes but was not deemed detrimental. Buyers, a Nice line of fully weaned Angus steers ready to take through to either heavy feeders or bullocks.
