Assessor Comments	Here are 19 good quality Angus Cross Heifers that have been regularly handled and quiet. Heifers are well bred being by Ruby Ridge Angus bulls out of very fertile productive Angus Droughtmaster cross cows. Heifers are good and quiet and were a pleasure to handle through the yards. Would make ideal trade or heavy feeders or breeder replacements. Will suit any type of trade job. These heifers are showing plenty of frame. All the hard work has been done on these heifers and they are ready for any choice you want to grow them out to. Only being sold due to conditions drying off. Were going to be retained as replacement breeders. Please note vendor has another lot of heifers in this sale.
