Handled With	Bikes , Dogs , Horses , On foot , Vehicles												
Assessor Comments	Here are a nice line of 12 Speckle Park cross heifers that have been regularly handled. These heifers handled very quietly in yard. These heifers are very growthy types. Heifers are well bred being by Speckle Park on the Rocks Speckle Park bulls out of very fertile productive Angus Droughtmaster cross cows. Would make ideal trade heifers or replacement breeders. All these heifers are polled. Please note vendor has another lot of heifers in this sale.
