|                                       | Steers worked well through yards at assessment. Small % of steers became unsettled when confined in crush but were quick to resettle once released back into mob.                                                                                                                                                                                                                            |                |
| Handled With                          | Bikes , Dogs , Horses                                                                                                                                                                                                                                                                                                                                                                        |                |
| Assessor Comments                     | 73 vendor bred Angus x steers presenting in store condition with an estimated average delivery weight 295.3kg. Buyers here is a good opportunity to purchase a line of steers that are all frame and no condition offering good compensatory weight gains. Please note same vendor has 3 other lots in this sale. Management tags will be removed prior to delivery.                         |                |
