Assessor Comments	A very nice line of one mark vendor bred heifers sired by Woonooka Angus bulls from a quality large frame cow herd. heifers show softness and sound confirmation and given the right opportunity should continue to do well. Heifers present in fresh condition with a small portion slightly dried out in comparison to the balance. Grass fed antibiotic free. A portion of these heifers will be weaned on Sunday off mum onto good quality lucerne hay, please not specific pick up dates. One heifer has old pink eye scar in one eye
