Assessor Comments	A very nice line of one mark vendor bred steers sired by Woonooka Angus bulls from a large frame quality Angus cow herd. Steers show softness and sound confirmation and given the right opportunity should continue to do well. Steers are fresh with out been overly sappy. Steers would suit feeder markets or even to be grown into heavy kill weights in the future. Grass fed antibiotic free. A portion of these steers will be weaned on Sunday off mum onto good quality lucerne hay, please not specific pick up dates
