Assessor Comments	A very good line of Angus Heifers. Well grown and show very good bone and type. Heifers will be weaned onto trucks at delivery. Excellent temperament for unweaned cattle. Vendor is not keeping any heifers. Very good quality heifers that will suit to take on to feeder weights or heavy kill cattle. Would also suit restocker as future breeders. Heifers bloodlines include Millah Murrah and Injemira Angus genetics. Note - Steer portion also offered this sale.
