Great run of angus x angus heifers. These heifers are naturally quiet and worked well throughout the assessment process. They move smoothly when pressure was applied and released.													
Handled With	Bikes , Dogs , On foot , Vehicles												
Assessor Comments	Here is a great opportunity to purchase a light 3 decks of Angus x Angus heifers. At assessment these heifers were weighed 320 - 420kg after 3 hours off feed to average 361kg. These heifers would suit multiple options - background for feedlot entry, target MSA domestic kill, join to the bull of your choice for a PTIC trade or simply looking to increase your breeding numbers. These heifers have all be purchased locally through A+ allowing the vendor to be selective on their purchases. All these heifers received a backline on induction. The were also preg tested and a 8 were early in calf. ALL 73hd were given a PG at scanning. They were easy to move through the yards.
