| Assessor Comments      | A small line of Registered heifers sired by 'Wormbete Thurston T56' Heifers with good frame, softness with that easy doing type that should grow out to be nice cows. Note; two heifers were slightly stirry & one heifer was story when put under pressure. Heifers can be transferred with the breed society at the purchasers cost.                                                       |
