Assessor Comments	This is an excellent line of feeder EU Angus Heifers. They consist of 29 PTE Heifers (Bang Tailed) and 31 Heifers that have never been joined. They are EU, PCAS eligible and Never Ever Acc. They are bred out of the renowned Nareen Station cow herd. Vendor has been selecting the very best of Weeran Angus bulls for over 20 years, and more recently also from Bowmont & Boonaroo Angus. Selection focus has been on Birth Weight, 600 day growth, Milk, Fat and EMA. These heifers have excellent depth and shape and will grow out to be very big, solid and heavy Heifers if shown the right feed.
