Assessor Comments	Well bred young calves out of quality large frame cows. Calves present in store condition after being weaned and will go ahead well shown good feed. Weaners are only being offered as vendor looking to prioritize feed for breeding herd. An ideal line of backgrounders to put on feed and offer during the weaners sales, into the feedlot later in the year or take on as future breeders. Buyers note there is 1 Red Heifer in mob as seen in photos. Vendor offering another 2 lines in same sale with 1 line being the Brothers to these Angus Heifers and the other line Shorthorn x Heifers purchased from local market.
