Assessor Comments Buyers Angus x steers that show good weight for age with good bone & growth. These steers are ideally suited to the trade feeder market, alternatively they can taken on to heavy feeder weights or yearling grass bullocks that would fit a grass export programme. These steers were a pleasure to handle in the yards. Whilst some steers are out of Brangus cows they show no crest but some do have Bos Indicus type ear & sheath (see photos & videos). Buyers there is another 28 heavy feeder weight steers same sale.
