Notable Traits		
	Traits	
	2 Head	Blue spot in eye

Assessor Comments	Buyers here is an opportunity to buy a run of steers that present in forward store condition. These steers would suit backgrounders looking for light weight steers to put away and grow out to heavier weights . These steers are powering on with the feed in front of them and i would expect they will keep going forward on the right feed conditions. Please note. Vendor has 32 heifers in the same sale.
