Assessor Comments	On offer is an outstanding line of Alloura blood Angus steers. This lot of 108 head are the lead draft of Taberner Pastoral Co's spring calves and come with the highest recommendation. Steers present in ideal forward condition and have been weighed out in a tight range from 305kg- 365kg.They are exclusively Alloura blood with high IMF and growth a focus in bull selection. Calves have been weaned for over a month and at 7-8 months are showing exceptional shape and muscle. Traditionally these steers are retained and grown into bullocks but due to the season are being sold early. Please note that there is another full B-Double load of lighter calves offered in the same sale providing the opportunity to put 218 one-mark steers together.
