Assessor Comments	23 x Angus Steer Weaners that present well at the tail end of a hot, dry summer period. Soft, easy doing steers that have a great temperament, properly yard weaned & quiet. Grass fed declaration available upon request. Previous purchasers have been very happy with the performance of weaners & yearlings from this herd targeting high end grass & grain fed programs. Annual turnoff of weaners with the vendor also having another 5 x Angus X Steers & 24 heifers in this same sale.
