Traits																			
1 Head scaring of the eye that's not effecting sight																			
Assessor Comments	Very good line of vendor bred Euro cross heifers. Sired by the quality bulls these heifers are good quality with frame to keep growing. Heifers would suit a turn over program to finish on crop or grain. Please note these heifers are tick free and can move any where with no restrictions. (Vendor has strict treatment program to ensure clean status) at assessment Cydectin pour on was applied to the heifers																		
Assessor	Wade Hartwig (Level 1 Accredited) Phone: 0447 174 071
