Assessor Comments: Buyers, on offer is a great line of lightweight Angus and Angus cross heifers in store to forward store condition. These heifers are only on the market due to dry seasonal conditions and will perform very well on good feed. These heifers would be ideal to background and carry through to feeder weights or retain as future breeders.They were great to handle in the yards, although the odd heifer did become unsettled in the crush. Buyer please note a small percentage of heifers show some blue eye scarring; however, this does not appear to be detrimental. Please note this vendor has on other lot in this sale.
