Very well handled heifers. Worked very well through yards and crush. A few head did run about in big yards but easily blocked up. Worked very well through race and crush.

Handled With	Bikes , Dogs
Assessor Comments	Lead draft of 124 head purchased ex Russell Family "Consuelo" Rolleston. 1 Brand. Purchased as very young weaners and have done well for current vendor. Medium to large frame heifers showing good bone and muscle. By bulls from Swan Hill, Gyranda and Cardona Santa Studs. Heifers are polled or very well dehorned. Heifers 370-452kgs (full weight). Consuelo heifers have a very good reputation. Station Preg Tested empty and no bulls on Crescent Vale or adjoining properties. Heifers are ideal as feeder heifers or take through to heavier kill cattle. Would also be a very good line of future breeders. Vendor also has another lot (64 head) of these heifers in this sale.
