Assessor Comments	Second draft of 1 brand Santa Heifers ex Russell Family "Consuelo" Rolleston. Drafted on weight with these heifers from 330-369kgs (appear to be visually younger heifers). Tail of 8% of total heifers for sale has been drafted out. Well bred heifers by Swan Hill, Gyranda and Cordona Stud Santa Bulls. Consuelo heifers have a very good reputation. Heifers show good type and very tidy heads being either polled or very well dehorned. Heifers Station Preg tested empty and no bulls on Crescent Vale or adjoining properties. Heifers are ideal to take through to heavier feeder weights or to heavy kill cattle. Would also make a very good line of future breeders.
