Assessor Comments	A good line of Angus X Angus unweaned steers. Temperament was a standout at time of assessment, with unweaned steers flowing well through the yards and into the paddock handling the pressure from working dogs well. These weaners

are out of moderate to large-framed Angus cows by Bridgewater and Brooklington Angus bulls. A solid line of quality steers that should grow well into feeders or potentially hold for a kill carcass. NOTE: VENDOR HAS MULTIPLE LOTS IN SALE.
