Assessor Comments	An outstanding line of Jan/Feb drop heifers, Bred out of Karoo blood cows and sired by Circle 8 and Karoo bulls, Cows were AI to "Circle 8 Shenanigans" with Karoo bulls used as back up bulls. Past proven performers coming off some decent rain earlier in the week with no expense spared on their sires these are an ideal line to put away on feed and grow out to heaven feeder and kill weights or to keep on as future breeders.
