Assessor Comments A nice little line of Angus X Steer weaners. Weaned back in September they are very quiet calves to handle. Worked around the yards with little to no fuss. All frame and carry no excess condition at present after the tight seasonal conditions experienced across the district. Would be a very attractive line to put away and grow out. If you have the grass they will not disappoint. NLIS tags were scanned at assessment so happy to do transfers for you free of charge.
