| Assessor Comments      | Wonderful opportunity to put together 600, 1 mark, vendor bred, ripping quality steers. These steers were all weighed 300-400kg and have all been started on a grain ration which will make for a very easy transition into a feedlot if desired. Steers also have plenty of scope to put weight on in a grass program. Yammatee cattle are highly sought after by several major feedlots in the Eastern States and have a reputation for their very good doing ability. Steers will be sold as 6 even runs of 100 out the gate. |
