| Assessor Comments      | A nice quiet mob of well bred Angus steers properly weaned with all the treatments up to date. These steers are ready to go on to become good feeder or export weight cattle. The vendor is also offering 22 of their Black Baldy brothers and 12 smaller Angus and Angus X steers in the same sale. There are 4 steers in this lot with some pinkeye scarring, see photos.                    |
