Assessor Comments	An outstanding line of Angus steers all weighing 390kg+ full at assessment. Tops of the drop!! At only 11-12 Months of age they are showing tremendous stretch and bone and have the potential to make outstanding bullocks. Steers are sired by top end Ardrossan bulls, vendor mainly targets high growth and IMF in the top 5%. The 'Abbey Hills' herd have a reputation for their docility and this years progeny are no exception. Repeat purchasers have praised their doing ability and temperament. These steers come with our highest recommendation! **Please note: Vendor has 2 more lines in this sale**
