Stirry: 1 head

Heifers worked very well through the race and crush. Some heifers exited the crush quickly and settled very quickly. Heifers did want to run around in bigger yards. Easily blocked up and not aggressive.

Assessor Comments

A very good line of 1 Brand vendor Angus Heifers. Heifers were preg-tested not detectable on 04/03/26. Well grown and showing good bone and type. Vendor has been breeding Angus Cattle for 75 years. Heifers are Roseleigh Blood (South Australian Stud). Heifers are doing very well now after recent rains. These heifers are very suitable for feedlot or would make very good future breeders. Vendor has been another lot this sale (72 head).
