Assessor Comments	51 - Very good quality EU accredited Vendor bred Angus heifers, 6 - 7 months of age. Heifers present in healthy fresh forward condition. Heifers are an annual offering of weaners being bred from a reputable New England Angus cow herd. Heifers have been weaned for the past week prior to assessment. The temperament of these heifers is a feature, evident of their management practices, being monitored & moved on a regular basis post weaning. Heifers are up to date with animal health, please refer to health treatments for further information. 3 heifers were noted to have white udders/underbellies. Sale of heifers represents an annual production sale & an opportunity to secure a genuine line of quality EU accredited 1 mark Angus heifers suitable as replacement future breeding females or to continue backgrounding for Angus specific feedlot or processing markets.
