Steers will respect and move off you in and around cattle yards though will fizz up if too much pressure is applied or lock off by themselves. Overall good to work in and around cattle yards.

Assessor Comments

Buyers on offer is 45 Angus and Angus cross feeder steers weighing 370 - 464kgs to ave 422.5kgs full on farm. Steers present in forward store condition and have been grazing semi improved pasture and doing very well and should continue to do so give the right opportunity. Steers were purchased out out of the New England and Hunter selling complex's and have plenty of scope to be able to go onto grass or grain and grow out to export steers. For further information please call.
