Assessor Comments	An impressive draft of vendor-bred Angus steers, showcasing depth of breeding and outstanding quality. They are out of Rennyalea, Speriby North, Te Mania and Booroomooka-blood cows, and sired by Choice Angus and Clunie Range Angus bulls. These steers are exceptionally well-mannered, easy to handle, and a pleasure to work with. Their structure, bone, and overall type will allow them to perform in any market. They would be a valuable addition to any backgrounding or finishing program. The steers have been running with the cows on improved native pastures. They were weaned at assessment and will continue to receive daily handling until delivery.
