Assessor Comments	Acc, HM & JC Barlee, “Binbadeen”, present 26 tops of the drop, vendor-bred, weaned heifers in fresh forward store condition. These good-framed heifers are well suited to continue gaining weight from delivery and would be ideal to grow out or retain as future breeders. They are bred from a Dunoon and Reiland Angus base herd and sired by Dunoon Angus bulls, selected with a strong emphasis on growth and carcase performance. Heifers were yard-weaned for 7 days and handled very well in the yards at assessment. Buyers can purchase with confidence.
