Very quiet calves that are hand reared. Easy to handle animals that would suit hobby farmers as well. All the steers stood well on the portable scales.

Handled With	Bikes , On foot , Vehicles
Notable Traits	Traits 2 Head Old pink eye scars
Assessor Comments	A very well reared group of Angus cross calves that are growing well on the grain bins. The vendor only runs strait Holsteins with no Jersey blood present. These are easy to handle steers that are capable of growing out to heavy export weights if given the opportunity.
